

DRAGON TOOTH BOLLARD

PRODUCT SPECIFICATION

- The Dragon Tooth Bollard is a high quality, long-lasting bollard to suit many different applications.
- Manufactured from Naturally Very Durable Hardwood, the simple, natural appearance and robust construction means this bollard is ideal for keeping spaces open and accessible to pedestrians, whilst providing effective traffic control.
- Woodscape bollards are manufactured to an exceptionally high standard and require little or no maintenance.
- Nine standard section sizes ranging from 100-300mm and greater if determined.
- Eight standard overall lengths (above ground) from 750-1800mm and greater if determined.
- The Dragon Tooth Bollard is available as a square or round bollard.
- All bollards can be customised with or without a 'V' groove, reflective bands, discs, plates, signs or custom routed text or imagery.
- To specify use code SQUARE (SP) DOG TOOTH or ROUND (RP) DOG TOOTH width / length or SPG/RPG width / length for grooved version.
- Available in FSC Certified hardwood.

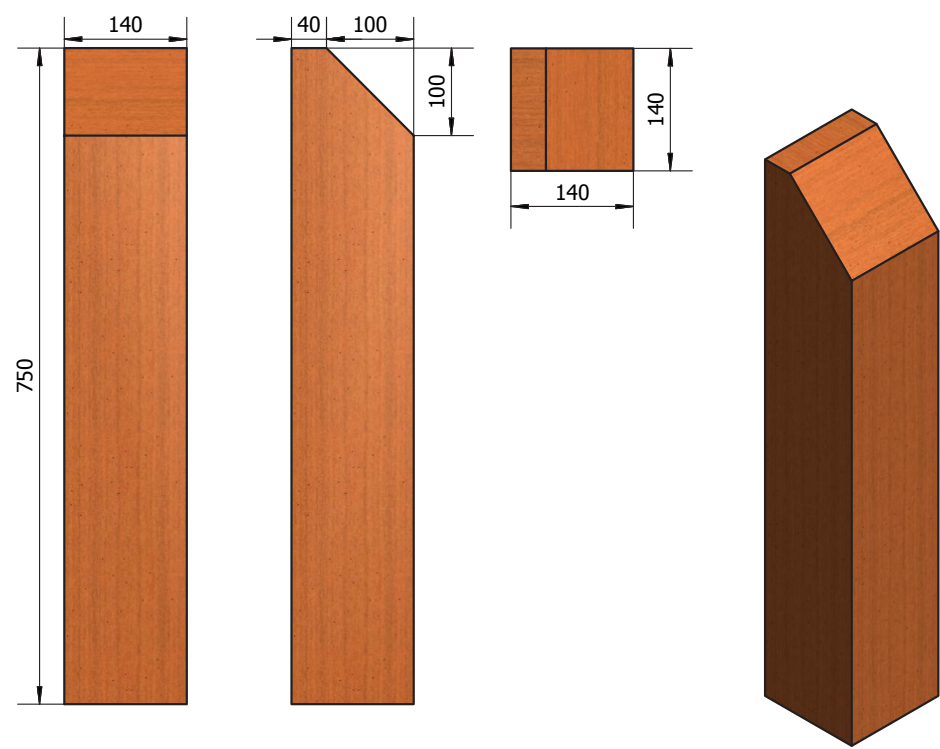

The mark of
responsible forestry

Woodscape products are manufactured from Naturally Very Durable Hardwoods, sourced from sustainable forests, as standard. As an FSC® certified supplier we can manufacture our products using FSC certified timber as required.
