

REMOVABLE BOLLARD

PRODUCT SPECIFICATION

- Removable Bollards are flexible in use, allowing or restricting access of vehicles, ideally suited for private parking and pedestrian walkways.
- Removable Bollards are made from Naturally Very Durable Hardwood, all feature 1 No. 30mm through hole to take lifting bar (supplied on site by others).
- Woodscape bollards are manufactured to an exceptionally high standard and require little or no maintenance.
- Removable Stainless Steel Sockets are fixed 500mm into the ground and the bollard goes in 400mm to the socket.
- Padlock and key can also be supplied. (Padlock and key alike)
- Prices given include work to the base of the bollard for it to be removable.
- Fire brigade padlocks are also available.
- Our Removable Bollards have a number of customisable options, including a choice of:
 - Round or square profiles on top (See page 3)
 - Nine standard section sizes ranging from 100-300mm and greater if determined.
 - Eight standard overall lengths (above ground) from 750-1800mm and greater if determined.
 - All bollards can be customised with or without a 'V' groove, reflective bands, engraving, discs, plates or signs.
- All Woodscape bollards are designed and manufactured in-house to meet your custom requirements.
- Available in FSC Certified Hardwood.
