

LIME GROVE SEAT

PRODUCT SPECIFICATION

- The Lime Grove Seat has a minimal and contemporary design, with slender seat-top slats made from high quality Naturally Very Durable Hardwood. The simple, natural appearance and robust construction means this seat is perfect for a range of external spaces and landscapes.
- Lime Grove Seats are available in two standard designs: the full slatted seat-top or the slatted seat-top with void for plants.
- Lime Grove Seats are available in three standard sizes, however custom dimensions are available upon request.
- Typical seat heights range from 400-500mm.
- Supplied fully assembled with a choice of surface fixed (SF) or built-in 200mm (BI) below ground.
- Metal framework including end-caps and legs are available in either Stainless Steel, Galvanised Mild Steel, Power-Coated Mild Steel.
- To specify use product code LIME GROVE SEAT / length, width, height, fixing.
- Available in FSC Certified Hardwood.
